SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants wish to bring to the attention of the Patent Office prior art received in connection with Official Actions in Applicants' related U.S. application (10/524,313) and issued patent 6,495,580. Attached is U.S. Patent Office Form PTO-1449. Applicants are not submitting copies of the U.S. Patent references/U.S. Patent Publications references as they are available in Applicant's co-pending application and issued patent. The claims in the present application are believed to be patentably distinguished over these references.

This Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFT 1.56(A) relies on a materiality concept which depends on subjectivity.
